DONATE TO CYCLONE RECOVERY IN MYANMAR— The United Nations estimates that up to a million people may have been left homeless in the wake of Cyclone Nargis. "It could not have happened in a worse stretch of land. With the tidal surge at 12 to 15 feet, presumably thousands of people living along the Delta were simply washed away," says Pat Johns, director of Catholic Relief Services' emergency response team.

efforts of the Caritas Internationalis network in the most affected areas of Myanmar after Cyclone Nargis brought a deadly tidal surge across the low-lying coastal areas of the country.

The latest reports are that 60,000 people are dead or missing and 1 million are homeless. These numbers are expected to rise. The level of devastation is still difficult to assess as communications remain spotty and news trickles out of the country. Conditions are dire. Food, water and basic shelter are urgently needed.

To donate go to <http://crs.org/> or mail contribution marked "cyclone" to Catholic Chancery, PO Box 137, Dodge City, KS 67801.
