WORLD YOUTH DAY: For the first time ever, individuals can make a virtual pilgrimage to World Youth Day (WYD) using a social media tool developed by the United States Conference of Catholic Bishops' (USCCB) Communications Department. USCCB has created a Facebook application and a website for non-Facebook users (<http://www.virtualworldyouthday.org/>) where individuals can create an avatar and use it to participate in the virtual pilgrimage. The application can be added to any Facebook fan page. A Google map provides visuals of where pilgrims are coming from throughout the world and another shows the pilgrims on a detailed map of Madrid.
