BISHOP BRUNGARDT: has made the decision that beginning 1 July 2012, all adult volunteers with regular contact with minors must be compliant PRIOR to beginning any volunteer ministry. Compliance means an adult must already have attended a Protecting God’s Children awareness session and they already must have a completed background check. This means if the day comes to begin some volunteer activity that involves regular contact with minors, and the adult has not yet attended a PGC awareness session and does not have a completed background check, then this adult may not take part in the volunteer activity until he/she becomes compliant.
