CATECHIST FORMATION FALL: September Sessions "Let Prayer Teach" Presenters: Bishop Emeritus Gilmore and Coleen Stein. The single most important factor in the lives of a catechist and their children and teens is their relationship with God. One name we give that relationship is prayer. Some communication happens quite naturally, a young child will learn communication skills by watching and listening to others. But other communication skills need to be taught, like reading and writing. The same can be said for prayer. Yet, what we need more than anything else is not textbooks, but text-people. That's what a catechist is. Pope Paul VI called them witnesses. "Let Prayer Teach" offers help to the catechist so s/he can help their students grow in prayer ... that is not just teaching prayers. "If you want

NEW LIGHTHOUSE CDS: Please stop by the Lighthouse CD display in the body room to view three new CDs that have been added to our collection. Feel free to take a copy, listen, share and then return for others! Suggested donation is \$3 per CD and can be put in the weekly collection basket.

In God We Trust — Religious Liberty: Your First Amendment Right — Bishop David Malloy & Monsignor Eric Barr. During these challenging times there is a critical need to focus on maintaining our religious liberty as stated in the First Amendment of the United States

Constitution. In these highly informative presentations, Bishop David Malloy and Msgr. Eric Barr show us that protection of religious freedom is fundamental for Catholics and also for people of all faiths. This CD also includes a brief presentation by Timothy Cardinal Dolan on faithful citizenship.

Get to Know the Mother of God — Chris Padgett (Great for youth & young adults, too!). There's a little bit about Mary in scripture. We can glean a bit more from the Tradition of the Church. But, where can we go to get the complete picture, to find out about the whole Mary? In an engaging style, Chris Padgett does just that as he walks us through what the Bible has to say about the Mother of God. What has she meant to the Church throughout the centuries, what have the saints told us about her, and most importantly, what can we learn from her ourselves? This CD also includes selections from The Rosary Project, a unique celebration of prayer and song from Chris Padgett.

Counting Your Blessings — Dr. Scott Hahn. From God's Word, Dr. Hahn explains the theology of Catholic family life, and how to apply these principles to communication, forgiveness and prudent stewardship of one's material gifts. He challenges us to be men and women of God who foster a loving family life.
