DO YOU KNOW WHY A DOUGHNUT IS SHAPED LIKE "O"?: Because when you eat them after the Sunday Mass with friends, they have 'O' calories! Side note: We are thinking of adding coffee (not to the doughnuts, but to drink), so if you'd be interested in heading that up to make it possible for our parish, talk to someone on Youth or Adult Commission.
† † †

Brought to you by the Family Formation Commission — DID YOU KNOW?: What is an indulgence? "An indulgence is a remission before God of the temporal punishment due to sins whose guilt has already been forgiven. . . An indulgence is partial or plenary according as it removes either part or all of the temporal punishment due to sin." (CCC 1471) The first step on the path to conversion is frequent reception of the Sacrament of Reconciliation. Confession removes the sins, but the effects from the sins are still there. Indulgences, are what repairs the damage done from sin. So, let's say you confess the sin of pride in the confessional. What did you do to repair the damage done from that sin? Did you fast, do charitable deeds, read Sacred Scripture, apologize to the person you hurt? It is not enough to confess your sins. We need to do penance and for most people, it is more than just what the priest gives you at the end of your time in Confession. To be a saint, we need to ask for god's mercy and forgiveness in the Sacrament of Reconciliation and then make amends for all the hurt our sins have caused. This is the secret to sanctity!
